The Court has received and considered the Report and Recommendations of the United States Magistrate Judge filed pursuant to such order, along with the record, pleadings, and all available evidence.

At the close of the December 14, 2020 revocation hearing, Defendant, defense counsel, and counsel for the Government orally waived their right to object to the proposed findings and recommendations contained in the United States Magistrate Judge's report, and consenting to the Magistrate Judge's proposed findings and recommended sentence.
